

Dear Sir/Madam,

Kind Attention: Net4 India Registrants

National Internet Exchange of India (NIXI), the .IN registry, is now allowing Registrants to migrate/transfer their domains held with **Net4 India Ltd** to other Registrars. This ensures smooth functioning and provides uninterrupted services to holders of ".in" and ".Bharat/IDN" domains.

The Resolution Professional overseeing Net4 India Ltd in NCLT case has authorized National Internet Exchange of India (NIXI) to facilitate the migration/transfer of domains to other Registrars.

NIXI will process your domain transfer request upon verification of your KYC documents and ownership proof. To initiate the transfer request, you may submit the request to the following email IDs:

- support@nixi.in
- enquiry@nixi.in

with cc to registry@nixi.in and legal@nixi.in.

Below are the documents required to submit a transfer request :

a.) In case of an Individual

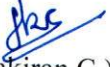

- Domain name.
- Self-attested ID & Address proof of Registrant/Owner.
- Contact No. & Contact E-Mail ID of Registrant in e-mail text body.
- The mail should be from the registered e-mail ID.
- Name of the new or gaining Registrar

b.) In case of Company

- Request letter on letterhead signed by authorized signatory for transferring of Domain from Net4 India Ltd. to another Registrar
- ID proof of authorized signatory.
- Company's legal entity proof.
- Contact No. & Contact E-Mail ID in e-mail text body.
- Name of the new or gaining company

Note: The credentials (email, contact person, phone/mobile No.) shall be same as updated in the WHOIS records of the requested domain name.

We trust this information is helpful.

(Jayakiran.C.)
